

DAIS 2026

International Conference on Data Analytics and Intelligent Systems 14-15 April 2026, Khenchela, Algeria

CALL FOR PAPERS

The Topics for Submission

We invite high-quality contributions addressing (but not limited to) the following topics:

Data Analytics and Data Mining:

- Data Mining and Knowledge Discovery.
- Predictive Modeling.
- Scalable Data Processing.
- Data Visualization.

Machine Learning and Intelligent Systems:

- Deep Learning and Neural Networks.
- Reinforcement Learning.
- Hybrid Intelligent Systems.
- Intelligent Agents and Multi-Agent Systems.

The First International Conference on Data Analytics and Intelligent Systems (DAIS'2026) aims to bring together researchers, practitioners, and industry experts to explore cutting-edge advancements in data analytics, artificial intelligence, machine learning, and intelligent systems. The conference will foster interdisciplinary discussions and provide a platform for the exchange of ideas, methodologies, and applications in this rapidly evolving field. Participants will have the opportunity to showcase their research and connect with experts from academia and industry.

Important Dates

- Paper Submission Due **November 11, 2025**
- Acceptance Notification **January 22, 2026**
- Early Bird Registration **January 25, 2026**
- Camera Ready Submission **February 7, 2026**
- Conference Dates **April 14-15, 2026**

Submission Guidelines

Authors are invited to submit original, unpublished research papers that are not being considered for publication elsewhere. Submissions should adhere to the following guidelines:

- **Length:** Full papers (12-15+ pages) and short papers (6-11 pages).
- **Format:** Papers must be formatted according to the conference template and be written in English.
- **Plagiarism Check:** All papers will be checked for plagiarism using Turnitin to ensure originality.
- **Review Process:** Each paper will undergo a double-blind peer-review process by at least three qualified reviewers.

Submissions must be made via the conference's submission system (link to be provided).

Keynote Speakers

DAIS'2026 will feature distinguished keynote speakers, who will present on emerging trends and future directions in Data Analytics and Intelligent Systems.

Pr. Francisco
HERRERA

Pr. Ladjel
BELLATRECHE

Pr. Salem
BENFERHAT

Pr. Amir H
GANDOMI

Proceedings

The proceeding will be published in the Springer Communications in Computer and Information Science (CCIS) series, ensuring high visibility and indexing in major databases such as DBLP, Google Scholar, EI-Compendex, Mathematical Reviews, SCImago, Scopus.
